# *The Friends of Music at St. Luke*

Our mission is to promote excellence in liturgical and concert music at St. Luke Lutheran Church in Ithaca, NY, including the use of the Juget-Sinclair French Romantic Organ.

## *The Juget-Sinclair French Romantic Organ*

An organ unique in North America, Juget-Sinclair's opus 45, completed in 2016, seeks to replicate the experience of playing and hearing a late nineteenth century organ by the master of French organbuilding, Aristide Cavallé-Coll. The twenty-one stops provide an amazing range of sounds perfect for the French romantic repertoire, yet also extremely effective with music of other styles. Careful study went into the visual, tonal, and mechanical design. Aside from the electric blower, the organ's action is entirely mechanical. Please refer to the website for the specification and to download the brochure and dedication program.

## *St. Luke Lutheran Church*

St. Luke is a vibrant community of teachers, learners, adults and children, sinners and saints and everyone who falls in between. We are a family in faith and our doors are open to all.

Founded in 1913 as the Lutheran Association of Ithaca, St. Luke has served campus and community for over a hundred years.

## *Sunday Services*

Sunday services are at 10:45am, utilizing the organ year-round with choir during the academic terms. Our annual celebrations include World Communion Sunday (the first Sunday in October), a festive service on Reformation Sunday (the last Sunday in October), an Advent Lessons and Carols Service in December, traditional Christmas Eve services, Jazz Vespers on Mardi Gras (the Tuesday before Ash Wednesday), Holy Week services, and festival services on Easter. Services primarily utilize the forms in Evangelical Lutheran Worship, and enact the priesthood of all believers by inviting members to share their God-given gifts of leadership, including musical.
