

# Survey Results

## LEAD LISTENED!!!

Here is (some of) what we heard...

## WHO PARTICIPATED:

- 32 members

## IN TERMS OF OUR IDENTITY, MISSION, AND GIFTS, WE:

- identify with the "college" community, meaning college faculty, staff and students, Collegetown, Ithaca and the surrounding towns.
- Offer our gifts of music and a reconciling and accepting mission.
- We are a place where the community can meet and where we offer counseling and support to those in need.

## IN TERMS OF CHALLENGES, WE:

- Lack PARKING.
- All feel stretched by our competing commitments, and by our health.
- Worry about our congregation's financial health and its ability to serve a larger mission with the talent, time, and treasure we have.

## IN TERMS OF OUR FUTURE, WE:

- Are eager and excited to "get back" to doing what we should be doing, but we are not sure what that is. We have a bunch of ideas but no shared vision...yet!

## THANK YOU!!!

Your LEAD team thanks you for your thoughtful contributions to the survey. You offered many insights. This summary highlights only those themes that were **most frequently** mentioned.

## NEXT PHASE:

Our next phase turns toward our larger community where we will be meeting with our neighbors to understand what needs exist and how St. Luke might be a source for God's work among those with whom we live.
